# STATE OF OREGON DECLARATION OF TRUTH CONTEMPT OF THE CHARTERS OF FREEDOM

The people of Oregon are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its borders the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the sovereign Men and Women of America all caused by a government of and for a mono-party system led by a tyrannical pusillanimous dictator who openly defies Federal law.

A **pusillanimous** Governor, a spineless governor who has shown a lack of courage and shrinking from their sworn oath and responsibilities for the benefit and well-being of the free and sovereign Men and Women of the Free and Independent Nation=State of Oregon, whose character is thus marked by every act which may define a tyrant, is unfit to be the elected Governor of a free people. Likewise, the Elected, Appointed and Regional Officials of the State of OREGON including the many unlawful departments of the corporation government who have grossly usurped authority and actively and grievously committed atrocities against We the People, such as, but not limited to, the DEQ, the unconstitutional sheriffs, the Department of Health and Welfare, the Child Services Department, The Bureau of Land Management, and the state and federal Forestry Departments, the AMA, CDC, and FDA whose character is thus marked by every act which may define them are that of a tyrant, abusive, unconstitutional and their criminal and despicable acts as corrupt authorities, are unfit to be the Elected, Appointed and deemed Regional Officials of a free people.

Governors and Officials of the State of OREGON have exhibited evidence of Tyranny and Treason against the Sovereign Men and Women, Counties, Towns and Cities of the State of OREGON.

The history of the present **pusillanimous** Governor of OREGON, the past Globalist Governor of OREGON, and many other Officials of the various unlawful departments of the State and county governments of OREGON have historically and repeatedly caused injuries and usurpations upon the sovereign Men and Women of Oregon, revealing their corrupt agenda and ultimate goal of establishing an absolute tyrannical government over the State of OREGON are thus guilty of treason, a crime punishable by death. They are desperate to hide their complicity, and thus they systematically target, demonize, and even “suicide” all who threaten to expose their treachery and malfeasance.

We the sovereign Men and Women of the Free and Independent Nation=State of OREGON have Petitioned for Redress of Grievances in the most humble terms. A total of one hundred ninety Grievances were read at County Courthouse locations within the borders of OREGON State during the course of the year of 2023. Nor have we, the sovereign Men and Women of the Free and Independent Nation=State of OREGON, been wanting in attentions to our OREGON brethren, but our repeated Petitions have been answered only by repeated injury.

# CONTEMPT OF THE CHARTERS OF FREEDOM

## **Violation of United States Constitution Article IV Section 4**

The Republic of the United States of America was founded on a set of beliefs that were tested during the Revolutionary War. Among them was the Truth that all men and women are created equal and that these people have fundamental rights, such as Life, Liberty, the Pursuit of Happiness, Free Speech, Freedom of Religion, Due Process of Law, and Freedom of Assembly.

*There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus. (Gal. 3:28)*

The Charters of Freedom have secured the rights of the American people for more than two and a quarter centuries and are instrumental to the founding and philosophy of the Republic of the United States.

These documents are the Declaration of Independence, the Constitution, and the Bill of Rights.

The Declaration of Independence clearly expresses the ideals on which the Republic of the United States was founded and the reasons for separation from a tyrannical and oppressive government.

The Constitution clearly defines the framework of the State and Federal governments of the Republic of the United States.

The Bill of Rights clearly states the first ten amendments to the Constitution. It defines and guarantees the protection for our individual freedoms, the rights of the people, lists specific limits on government power, prevents tyranny from the federal and state governments, and establishes the rights of states to the federal government.

Today, Oregon is in a state of free fall at all levels. This free fall has been orchestrated over the last 170 years by socialist and communist regimes and we're now nearing the end of their socialist/communist plan that clearly demonstrates a design to reduce the people of the United States living in OREGON under absolute Despotism. Today this diabolical plan has established a tyrannical, authoritarian government, in place of a representative government of the people, that is openly and blatantly in violation of these Charters of Freedom.

The foundation of a representative government is the power of the people to make laws for the public good. This diabolical plan has enabled and empowered the rise of a pusillanimous (Spineless, cowering, spiritless, cowardly, feeble, and lacking in courage), governor and governmental officials that have rejected the very Charters of Freedom that are the very foundation of our Republic purposed by our Forefathers to prevent usurpations of authority and abuses of our Liberty and Freedoms of We the PEOPLE. These tyrannical officials have purposed to interfere with our judicial and civil processes that were originated, since the foundation of our country, to uphold and ensure our rights and freedoms. These corrupt officials have destroyed the People's right to self-rule, restricted, in many cases, destroyed free commerce, and passed illegal and unlawful mandates that are in direct violation of the Charters of Freedom.

According to the research done in "16 American Jurisprudence", 2<sup>nd</sup> Edition, Sections 71 and 82, No "emergency" justifies a violation of any Constitutional provision.

For the sake of argument, "Supremacy Clause and Separation of Powers," it is clearly admitted in Senate Report No.93-549 that abridgment has occurred.

Our patience and tolerance for those who pervert the very necessary and basic foundations of society, namely the Charters of Freedom, has been pushed to insufferable levels.

These pusillanimous Governor and government officials, have "fundamentally" changed the form and substance of the De Jure Republican form of government, exhibited a willful and wanton disregard for the Rights, Safety, and Property of the People, evinced a despotic design to reduce the People to slavery, peonage and involuntary servitude, under fraudulent, tyrannical, seditious foreign oligarchy, with the intent and purpose to institute, erect and form a "Dictatorship" over the People and our posterity.

They have completely debauched the De Jure monetary system, destroyed the livelihood and lives of thousands, aided and abetted our enemies, declared war upon us and our posterity, destroyed untold families and made homeless over 750,000 children in the middle of winter, afflicted widows and orphans, turned sodomites loose among our young, implemented foreign laws, rules, regulations, policies, procedures and mandates within the boundaries of our state, incited insurrection, rebellion, sedition and anarchy within the De Jure society, illegally entered our land, taken false oaths, entered into seditious foreign constitutions, agreements, pacts, confederations and alliances, and under presence of "Emergency," which they themselves created, promoted and furthered, formed a multitude of offices and retained those of alien allegiance to perpetuate their frauds and to destroy the substance of the good and productive people of our state, and have arbitrarily dismissed and held mock trials for those who trespassed upon our lives, Liberties, Properties, and families and endangered our Peace, Safety, Welfare and Dignity. The damage, injury and costs have been higher than mere money can repay. They have done that which they were COMMANDED NOT TO DO by our Charters of Freedom. The time of JUST REPARATION IS NOW!

The State of OREGON pusillanimous Governor and government officials, working alongside leaders of foreign governments that are averse to the Republic of the United States of America, have failed to prevent the usurpation and abuse of the People of the state of Oregon, a Free and Independent Nation=State and have facilitated and encouraged the violation of the Charters of Freedom which is in violation of our First Amendment Rights.

To be sure, state and local government officials are ***actively engaged*** in limiting and destroying our freedoms and rights to bear arms, mandating unlawful restrictions upon its people that endanger their health and wellbeing. They also mercilessly engage in every act that destroys the people's God-given rights to enjoy the fruits of their labor. Furthermore, they breach their oaths of office in which they swear to protect and preserve our Divine rights to pursue Life, Liberty, and Happiness. These crimes directly violate the Charters of Freedom.

Standing in the Grace of God, We, of the OREGON General Jural Assembly and the OREGON County Petite Jural Assemblies, having undertaken for the re-set of the Constitutional Republic form of Government and the Advancement of Divine principles and form of government in the State of Oregon, bring to the people of the State of OREGON, a Free and Independent Nation=State, the Declaration of Contempt of these Charters of Freedom. This Declaration is presented in order to ensure that those elected and appointed officials of our state and county offices are held responsible and accountable for their abuses. Furthermore, to hold those state and county officials accountable, whether elected or appointed, to maintain the Security, the Safety, the Integrity, the Freedom and Liberty and the Economic viability of the people of this great state of OREGON.

We entreat a bloodless solution, wherein you cease all destruction activities, dissolve your unlawful and unconstitutional tyrannical rule and other illicit legal structures and custodial instruments, return our land, our assets, and our De Jure government to We The People, retire, withdrawing your influence in an orderly fashion, so the people of OREGON can once again pursue our God-given rights of Life, Liberty and the Pursuit of Happiness.

## **ACTS OF INSURRECTION**

The government of OREGON, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in "***Acts of Insurrection***" against the United States Constitution.

## **ACTS OF SECESSION**

The OREGON government, collectively with the socialist state Executive, Judicial, and Legislative branches, instituted the current socialist governor/dictator who has usurped power and actively engaged in "***Acts of Secession***". Thereby, creating and fostering a reign of terror on the sovereign Men and Women of the United States living in OREGON, a Free and Independent Nation=State. They executed deceitful and manipulative events upon the people with the ***intent to secede*** from the United States of America to thus destroy the very ***Union of States*** which secures our ***Liberty and Freedom***.

## ABDICATION OF AUTHORITY

Betrayal by the sitting **pusillanimous** socialist governor/dictator of OREGON, the mono-party legislature and local elected officials is evidence of ***“Abdication of their Responsibilities of Authority and Sovereignty”*** over the Men and Women of the United States living in OREGON, a Free and Independent Nation=State.
