STATEMENT OF INTENT

The Sovereign Men and Women of the Free and Independent Nation=State of OREGON have decided to remedy the abuse of power by the government of OREGON by exercising their right to form a De Jure Government as provided for in United States Constitution Article IV Sections 3 and Section 4 and upheld in the US Supreme Court by the Supreme Court decision in 1901 (Downes v. Bidwell).

“We are determined to live under a State Government in the Republic for the United States of America and under the Constitution for the United States” and under the Declaration of Independence, cir.1776. and the Declaration of Independence, cir. 2010, ratified on November 12th, 2022, states:

“Whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government...”

“When a long train of abuses and usurpations...” and acts to seize and hold the people’s power without legal authority and “...pursuing invariably the same Object evinces (that clearly demonstrates) a design to reduce them under absolute Despotism, IT IS THEIR RIGHT, IT IS THEIR DUTY, to throw off such Government, and to provide new Guards for their future security.”

The history of the present Governor and Government of OREGON is a history of repeated injuries and usurpations, all having in direct object the establishment of a Tyranny over the Counties of OREGON and the FREE AND INDEPENDENT NATION=STATE OF OREGON.

Preamble of the Free and Independent Nation=State of OREGON Constitution states:

We, the representatives of the undersigned Counties within the State of OREGON, a Free and Independent Nation=State, ***do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....***

First Amendment of the United States Constitution states:

“Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.”

Fourth Amendment of the United States Constitution states:

“The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

STATE OF OREGON DECLARATION OF TRUTH A REPUBLIC

The people of OREGON are suffering from a tyrannical state government which fails to provide a republic form of governance, enables and supports across its borders the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Sovereign Men and Women of America all caused by a government of and for a mono-party system led by a tyrannical pusillanimous dictator who openly defies Federal law.

A **pusillanimous** Governor, a spineless governor who has shown a lack of courage and shrinking from their sworn oath and responsibilities for the benefit and well-being of the free and sovereign Men and Women of the Free and Independent Nation=State of Oregon, whose character is thus marked by every act which may define a tyrant, is unfit to be the elected Governor of a free people. Likewise, the Elected, Appointed and Regional Officials of the State of OREGON including the many unlawful departments of the corporation government who have grossly usurped authority and actively and grievously committed atrocities against We the People, such as, but not limited to, the DEQ, the unconstitutional sheriffs, the Department of Health and Welfare, the Child Services Department, The Bureau of Land Management, and the state and federal Forestry Departments, the AMA, CDC, and FDA whose character is thus marked by every act which may define them are that of a tyrant, abusive, unconstitutional and their criminal and despicable acts as corrupt authorities, are unfit to be the Elected, Appointed and deemed Regional Officials of a free people.

Governors and Officials of the State of OREGON have exhibited evidence of Tyranny and Treason against the Sovereign Men and Women, Counties, Towns and Cities of the State of OREGON.

The history of the present **pusillanimous** Governor of OREGON, the past Globalist Governor of OREGON, and these other Officials of the many unlawful departments of the State government of OREGON is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over the State of OREGON are guilty of treason, a crime punishable by death. They are desperate to hide their complicity, and thus they systematically target, demonize, and even “suicide” all who threaten to expose their treachery and malfeasance.

We the sovereign Men and Women of the Free and Independent Nation=State of OREGON have Petitioned for Redress of Grievances in the most humble terms. Reading a total of one hundred ninety Grievances at County Courthouse locations within the borders of OREGON State during the course of the year of 2023. Nor have we, the sovereign Men and Women of the Free and Independent Nation=State of OREGON, been wanting in attentions to our OREGON brethren, but our repeated Petitions have been answered only by repeated injury.

OREGON STATE VIOLATES:

United States Constitution Article IV Section 4

“The United States shall guarantee to every State in this Union a Republican Form of Government and shall protect each of them against Invasion; and on Application of the Legislature, or of the Executive (when the Legislature cannot be convened) against domestic Violence.”

United States Constitution Article VI

First Amendment, United States Constitution

“Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.”

Fourteenth Amendment, United States Constitution Section 3.

But Congress may by a vote of two-thirds of each House, remove such disability.”

A REPUBLIC

The State of OREGON is in constitutional default and does not have constitutional standing as a member state in the union of states called the United States of America. We the People as Sovereign Men and Women of the United States living in OREGON, a Free and Independent Nation=State, are following the process of West Virginia, which successfully restored the Virginia state government after the Wheeling Conventions of 1861. Congress admitted OREGON into the Compact of Statehood within the United States of America in 1859 because their 1857 Constitution, ratified for consideration, guaranteed a Republic form of government.

United States Constitution Article IV, Section 4. Protection of States Guaranteed Republic Form of Government.

"The United States shall guarantee to every state in this union a republican form of government...."

The Founding Fathers (Framers) made it clear a republic form of government was the only government for the United States

*"When the representative body have lost the confidence of their constituents, when they have notoriously made sale of their most valuable rights, when they have assumed to themselves powers which the people never put into their hands, then indeed their continuing in office becomes dangerous to the state" ~ **Thomas Jefferson***

*"Remember, democracy never lasts long. It soon wastes, exhausts, and murders itself. There never was a democracy yet that did not commit suicide." ~ **John Adams***

*"Democracies have been found incompatible with personal security or the rights of property; and in general been as short in their lives as they have been violent in their death." ~ **James Madison***

*"If everyone is thinking alike, then no one is thinking." ~ **Benjamin Franklin***

*"The issue today is the same as it has been throughout all history, whether man shall be allowed to govern himself or be ruled by a small elite." ~ **Thomas Jefferson***

*"To compel a man to furnish funds for the propagation of ideas he disbelieves and abhors is sinful and tyrannical." ~ **Thomas Jefferson***

*"A wise and frugal Government, which shall restrain men from injuring one another, which shall leave them otherwise free to regulate their own pursuits of industry and improvement, and shall not take from the mouth of labor the bread it has earned. This is the sum of good government, and this is necessary to close the circle of our felicities." ~ **Thomas Jefferson***

*"Democracy means simply the bludgeoning of the people by the people for the people." ~ **Oscar Wilde***

*"They who can give up essential liberty to obtain a little temporary safety deserve neither liberty nor safety." ~ **Benjamin Franklin***

"It has been observed that a pure democracy, if it were practicable would be the most perfect government. Experience has proved that no position is more false than this. The ancient democracies in which the people themselves deliberated never possessed one good feature of government. Their very character was tyranny; their figure deformity." ~ Alexander Hamilton

"The experience of all former ages had shown that of all human governments, democracy was the most unstable, fluctuating and short-lived." ~ John Quincy Adams

*"If ever a time should come, when vain and aspiring men shall possess the highest seats in Government, our country will stand in need of its experienced patriots to prevent its ruin."
~ Samuel Adams*

"Between a balanced republic and a democracy, the difference is like that between order and chaos." ~ John Marshall

The OREGON Constitutional Convention of 1857

“In 1846 to 1848 OREGON was facing many issues for all those who chose to settle in the territory. There were territorial disputes between several nations over the political division of the Northwest that had competing territorial commercial aspirations in the region. Conflicts were developing into familiar daily issues. Debates over slavery, liquor laws and boundaries brought hard times to the region. The hard times prepared the public mind to accept any change which promised peace in the territory and allowed settlers to live their lives as they chose to. Peace with the Indian nations had been achieved largely from the work of a mountaineering preacher man named Jedidiah Smith and a humble, hardworking missionary who was forsaken by his denomination named Jason Lee. Five Indian nation Chieftain’s had visions of a long-haired white man who carried the “Book of Heaven” coming to their tribes. His work later led these chiefs to travel east with an entourage of 300 braves to sign the first Indian treaty in the US. Lee is credited with establishing the first permanent mission settlement and school in the Willamette River Valley and later the first provincial government in the Northwest territory. Lee saw Oregon as the home of a future white civilization as early as 1837. His work was significant to Oregon eventually pursuing statehood.”

The first constitutional documents enacted in Oregon pre-dated statehood. These were the Organic Law of 1843 and the Organic Law of 1845, adopted to govern Oregon Territory. In 1857, leaders of the territory gathered at the Oregon Constitutional Convention and drafted the current constitution.^[2] Over half of the document's content was derived in part from the Indiana constitution.^[3] The constitution of 1857 included a racial exclusion section that excluded African Americans and Chinese from the state.

On November 9, 1857, Oregon voters approved its first constitution that then became effective upon statehood on February 14, 1859.^[2] The constitution was unchanged for the remainder of the 19th century, but has been amended numerous times since 1902 (see List of Oregon ballot measures). The changes have included the introduction of a direct legislation system, which enabled Oregon voters to propose and approve amendments both to the Constitution and to the Oregon Revised Statutes.

In 1905, a coalition of Oregon lawyers advocated for convening a constitutional convention the following year, and drafted plans for the selection of delegates. According to The Oregonian, Portland attorneys were "almost to a man, in favor of making the change". Dissenters included Portland attorneys George W. Joseph, who advised "leaving well enough alone", and C. E. S. Wood, who insisted that the recent passage of initiative and referendum system offered sufficient opportunity to amend the constitution as needed. Governor George Earle Chamberlain declined to take a position.^[4]

In 1916, Oregonians voted to keep Section 6 of Article II of the constitution, which read "No negro, Chinaman or mulatto shall have the right of suffrage", even though it had been rendered void by the Fifteenth Amendment to the United States Constitution.^{[5][6]} In 1927, Oregonians finally decided to remove this suffrage exclusion from their constitution.

It is important to note that our state Constitution is a living document. It has been amended many times since its adoption in 1857. One hundred and sixty-six years since its inception, the Beaver State continues to be a leader throughout the nation and the world. Innovative public policy is often crafted, analyzed, and debated by the Legislature with the collective input of the electorate.

This sense of progress and purpose can also be found in the documents featured in this publication, as our nation and state continue to strive for a more perfect union. The framers of our Constitution envisioned a Republic that protected fundamental "freedoms" and "rights."

Over time, these freedoms and rights have evolved to embrace a more diverse and inclusive society. Our state Constitution provides such a framework. It is in that spirit of freedom the OREGON Legislature presents these important documents, which shape our collective philosophy and the vision for a government of the people.

OREGON has been operating as a Republic since 1857 and yet, now this state has become a totalitarian dictatorship lacking in all aspects of a republic as demanded by the 1787 United States Constitution. Congress admitted OREGON into the Compact of Statehood within the United States of America in 1859 because their 1857 Constitution, ratified for consideration, guaranteed a republic form of government. By their own admission now gone is that guarantee of a republic form of government by the State of OREGON.

*As the "Framers" Adams and Madison stated: "Remember, democracy never lasts long. It soon wastes, exhausts, and murders itself. There never was a democracy yet that did not commit suicide." ~ **John Adams***

*"Democracies have been found incompatible with personal security or the rights of property; and in general been as short in their lives as they have been violent in their death." ~ **James Madison***

“We, the Sovereign Men and Women of the Free and Independent Nation=State of OREGON, and the sovereign Counties that lie within, united by our United States Constitution AND Declaration of Independence, declare that this sovereign State and this nation, under God, shall have a new birth of freedom - and that government of the people, by the people, for the people, shall not perish from the earth.”

The evidence is now clear that patterns and acts of **DISLOYALTY** are on full display daily against **We the People of OREGON, A Free and Independent Nation=State and We the People of the United States**. Not only on the federal level but on the state and local level as well from City Council, County Board of Supervisors, and School Boards which have all become hot beds of open seditious disloyalty against all of their constituents and the Constitution for the United States.

For those who don't understand the United States Constitution the “Government” is “We the People”.

We entreat a bloodless solution, wherein you cease all destruction activities, dissolve your unlawful and unconstitutional tyrannical rule and other illicit legal structures and custodial instruments, return our land, our assets, and our De Jure government to We The People, retire, withdrawing your influence in an orderly fashion, so the people of OREGON can once again pursue our God-given rights of Life, Liberty and the Pursuit of Happiness.

In OREGON, A Free and Independent Nation=State, we echo the thoughts, convictions, principles, and ideals of the Founders of the United States of America. We will retain our SOVEREIGNTY, our natural and unalienable rights, and our autonomy, free from the shackles of slavery to any form of government.

The overt nature of their totalitarian lust for control of every aspect of the lives of “We the People” is now openly on display.

ACTS OF INSURRECTION

The government of OREGON, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **“Acts of Insurrection”** against the U.S. Constitution.

ACTS OF SECESSION

The OREGON government, collectively with the socialist state Executive, Judicial, and Legislative branches, instituted the current socialist governor/dictator who has usurped power and actively engaged in **“Acts of Secession”**. Thereby, creating and fostering a reign of terror on the sovereign Men and Women of the United States living in OREGON, a Free and Independent Nation=State. They executed deceitful and manipulative events upon the people with the **intent to secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

ABDICATION OF AUTHORITY

Betrayal by the sitting **pusillanimous** socialist governor/dictator of OREGON, the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Men and Women of the United States living in OREGON, a Free and Independent Nation=State.

This concludes these proceedings. Oregon-General-Jural-Assembly.com.

OREGON, A FREE AND INDEPENDENT NATION=STATE is exercising its God-given Rights as declared in the 1776 United States Declaration of Independence and as ratified in the 1789 United States Constitution under Article IV Section 3. OREGON, a Free and Independent Nation=State, is hereby declaring its Statehood in the Republic for the United States of America.
